Parents' Weekly Briefing
10.10.2025

Working with our school community.

So many of our children have enjoyed their visit to the local library this week and some are looking forward to attending next week. Thank you so much to parents and carers who have attended with the children; we couldn't do local visits without you.

Summer Reading Challenge

We cannot wait to see the author Bethan Woollvin in school on Wednesday 15th October. This will be a wonderful day with a special assembly and then Bethan will be working across the school with classes delivering reading sessions, writing workshops or collage workshops. I cannot wait to see the children's faces. We would love the children who took part in the summer reading challenge to bring in their certificates on Monday so we can celebrate their achievements in our assembly.

RWI Filming School

As you know, we have been awarded the privilege of becoming a RWI filming school. This week, filming took place with Miss Webster showcasing the high quality phonics in our school. These films will be used for training people not only in this country but worldwide. We are so proud that the expertise we have can be shared to support other colleagues and children in their reading journey. Congratulations Miss Webster, we are so proud of you.

24th October: Miss Matthews and Miss Cullimore have offered to run a fundraising event in school on the last Friday of this half term. The children are able to attend in non school uniform or a Halloween costume and the children will access a fun event during the school day. We would ask for a donation of £2 for the event, which will go towards the prizes for children and school fund; school fund is used to provide resources and gifts for the children. Thank you for your support and to the staff organising the event.
