Re Uniform Expectations.

Dear Parents and Carers,

As we begin this new school year, I would like to take this opportunity to thank you for your continued support and to remind everyone of the importance of our children wearing the correct school uniform each day.

Last year, we noticed an increasing number of children attending school in items that are not part of our agreed uniform, such as hoodies, dangling earrings, and unsuitable footwear. In July, families were reminded of our expectations to allow time to ensure children were ready for the start of this term.

Wearing the correct uniform is about more than appearance. It helps all children feel a sense of belonging, promotes equality and fairness, and supports the high standards we hold in every area of school life. We want our pupils to take pride in themselves and in their school, knowing that they are part of a community where everyone is valued.

From Monday, if a child is not in the correct uniform, staff will speak with them to understand the reason. Where possible, we will ask for the incorrect item to be removed e.g. hoodie, or if needed, provide a spare item of uniform for that day. We trust this will be a rare occurrence, and with your support, it will not be necessary.

We also recognise that circumstances can sometimes make it difficult to provide the required uniform. Please be assured that we have a hardship fund available to support families discreetly. If you would like help, please contact the school office or speak directly to me in confidence.

We kindly ask for your continued partnership in ensuring that every child comes to school each day in the correct uniform. Together, we can help our children learn the values of responsibility, fairness, and pride in belonging to our school.

Full details of our school uniform expectations can be found on our website, along with the letter shared in July:
