

Weekly Briefing.
05.08.2026

Dear Parents and Carers,

As we approach next week's Year 6 SATs, I wanted to take a moment to recognise the tremendous effort and commitment shown by both our pupils and staff throughout the year.

Our children have worked incredibly hard, showing resilience, determination and maturity in their learning. They should all feel very proud of how far they have come. We are equally grateful to our dedicated staff team, who have gone above and beyond to support the children, including giving their own time to run booster sessions after school. Their care, encouragement and commitment have made a real difference.

I would also like to thank the children for attending these sessions so positively and consistently.

As we head into SATs week, our message to the children is simple: remain calm, believe in yourselves and just do your very best. The tests are only one small part of who they are, and we are already extremely proud of each and every one of them.

Thank you, as always, for your continued support and encouragement at home. Working together, we can help the children approach the week with confidence and positivity.

Our overall attendance has taken a significant dip this week. Good attendance remains vital in helping children achieve their very best in school. We kindly remind parents and carers to avoid taking children out of school for holidays, extended weekends or family trips during term time. Every school day matters, and even a small amount of missed learning can have an impact on children's progress, confidence and friendships. We appreciate your support in ensuring children arrive on time each day and attend school regularly so they can make the most of every learning opportunity.

Overall attendance this week: 94%. Our target is 97%.

Dates for your diary:

Year 6 SATs:

Monday to Thursday 11th – 14th May.

We would like children to arrive promptly to school. The gate is opened at 8:30 and children can enter at this time. On Wednesday, children need to be in class for 8:30 as we have 2 tests to administer during the morning. Please ensure the children have had a good breakfast and that they bring their water bottles to school to access during the tests.

*Reminder that **Friday 22 May** is an inset day and school will be closed on this day.*
